<input type="checkbox"/>	Signage
<input type="checkbox"/>	Existing parking or expanded parking
	<i>Additional requirements for secondary dwellings:</i>
<input type="checkbox"/>	Statement from the Health Department that the onsite sewage treatment system can accommodate the added use.
<input type="checkbox"/>	Statement from all other applicable utility providers that residential service can be extended to the new building while remaining under one bill

Supplemental Questions per section 1.305.4: (attach separately)

1. How will the use be harmonious with, and in accordance with, the purpose of the Wayne Township Zoning Code?
2. How will the use conform to the general character of the neighborhood in which it will be located?
3. Are there special conditions, if imposed, which would mitigate impacts and ensure compatibility with the existing neighborhood?
4. How will the use comply with all other applicable provisions of the Zoning Code and use specific standards?
5. How will the use be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity, and *not* change the essential character of the area?
6. Will the use create excessive additional demands, *at public cost*, for public facilities and services and how will it not be detrimental to the economic welfare of the community?
7. Will the proposed use at this location be necessary or desirable in providing a service or will the facility be detrimental to the general well-being of the surrounding area?
8. Are there other conditional uses associated with the property?

Purpose of the Board of Zoning Appeals

The Board of Zoning Appeals (BZA) is a five member, quazi-judicial, citizen Board appointed by the Board of Trustees. The BZA is charged with the responsibilities outlined in the ORC 519 and more specifically defined in Section 30.01 of the Wayne Township Zoning Resolution.

The BZA hears appeals of decisions of the Zoning Administrator, including permit application refusals and violation citations, as well as Conditional Use applications, Expansion of a Nonconforming use applications, and Compatible Nonconforming Use applications. The BZA may authorize, upon appeal, variances from the terms of the Zoning Resolution where unique hardships exist and when the variance will not be contrary to the public interest.

In the event that any party disagrees with a decision of the Board, they may appeal to the Court of Common Pleas of Warren County.

Board of Zoning Appeals Process

A person filing a Conditional Use Application must have a legal and/or equitable interest in the property affected in the appeal or be an attorney representing the person having legal or equitable interest. The Board requires the legal owner or his counsel to be present at the public hearing.

The hearing in front of the BZA is a quasi-judicial process. All those speaking in favor of or against the applicant are sworn in. Attorneys for the appellant or the Township may question and cross-examine those giving testimony.

The appeal must be received by the Zoning Office at least 3 weeks before the next scheduled meeting date.

A legal notice will be prepared by this office and placed in a newspaper of general circulation in the county 10 days prior to the public hearing. Notice of the hearing is sent to all property owners within 500 feet.

Failure to appear at the scheduled public hearing may result in the dismissal of the appeal.

An appeal will not be accepted unless and until all the above requirements are met.

For additional information, please contact the Wayne Township Zoning Department at 513.897.3010.

- I authorize Wayne Township (staff, appointed board, Trustees, or committee members) to enter upon the subject property for purposes of making inspections related to the project or request identified in this application.
- I certify that all the above information in this Zoning Appeal Application is accurate to my fullest knowledge.
