Wayne Township Zoning Variance Application

I understand that if the requested variance is granted, I am in no way relieved from all other applicable requirements of the Wayne Township Zoning Ordinance. It is also understood that any approval by the BZA involving site improvements, use, and/or construction does not relieve the applicant from obtaining other applicable authorizations (for example, site plan, building, health department, soil erosion, and engineering approval, etc.).

I authorize Wayne Township (staff, appointed board, Trustees, or committee members) to enter upon the subject property for purposes of making inspections related to the project or request identified in this application.

I understand that the BZA meets on the third Thursday of the month. **Completed applications must be received at least 4 weeks in advance to be placed on the agenda for that month.**

I certify that all the above information in this Zoning Variance Application is accurate to my fullest knowledge.
