**Note:** A period of no more than 30, thirty minutes will be allocated to individuals at the beginning of the meeting to give the Board of Trustees an opportunity to listen to citizens. The Board of Trustees is very interested in citizen input relating to concerns, problems or issues. The Board of Trustees encourages citizens to work through problems at the department and/or administrative levels before coming to the Board.

The Board of Trustees asks that remarks be limited to three minutes and to one appearance, thus allowing a maximum number of participants during the allocated time. This is a period in which citizens are to speak to issues. Questions directed to the Board of Trustees cannot always be answered immediately. An appropriate person will respond to all questions within a timely period after the meeting or put on the agenda for the next meeting. Board of Trustee meetings are neither trials nor testimonials directed toward an individual employee or a Board of Trustee member. Persons wishing to discuss personnel matters with the Board of Trustees should write the Board of Trustees about the matter or communicate with a Board of Trustee member on an individual basis.
