The Board of Trustees is very interested in citizen input relating to concerns, problems, or issues. The Board of Trustees encourages citizens to work through problems at the department and/or administrative levels before coming to the Board

The Board of Trustees asks that remarks be limited to three minutes and to one appearance, thus allowing a maximum number of participants during the allotted time. This is a period in which citizens are to speak to issues. Questions directed to the Board of Trustees cannot always be answered immediately. An appropriate person will respond to all questions within a timely period after the meeting or placed on the agenda for the next meeting. Board of Trustee meetings are neither trials nor testimonials directed toward an individual employee or a Board of Trustee member.
