The Board of Trustees is very interested in citizen input relating to concerns, problems, or issues. The Board of Trustees encourages citizens to work through problems at the department and/or administrative levels before coming to the Board

The Board of Trustees asks that remarks be limited to three minutes and to one appearance, thereby allowing the maximum number of participants within the allotted time. This is a period in which citizens are to speak to issues. Questions directed to the Board of Trustees cannot always be answered immediately. An appropriate person will respond to all questions within a timely period after the meeting or place them on the agenda for the next meeting. Board of Trustee meetings are neither trials nor testimonials directed toward an individual employee or a Board of Trustee member.
